Principals Message

A huge thank you to our parents and Miss Gail for setting up our school display for the show—it is always pleasing to know that our school and staff can be supported in this way. The display looked great and congratulations to all students for their entries in the show. Many students received prizes and commendations and even our scarecrows did well.

Another thank you to our parents for assisting in the canteen at the footy grand final on Sunday. It has been a very busy time and we appreciate any support that parents and family members are able to provide in any capacity.

Wishing everyone a safe and happy holiday

Have a great week.

Regards ,

Carmel McMurray
