Principals Message

Welcome to our kinder start children who joined in with the infants class today. Children enjoyed a variety of activities and interacting with the other students.

We look forward to welcoming our Grandparents to the school next week.

It was lovely seeing Mrs Doyle here yesterday introducing Ava to the students, Ava is of course, very cute.

Regards,

Mrs Tracey Graves
Relieving Principal

YOUTH ORCHESTRA

Next Wednesday the 22nd October, we will be treated to a visiting youth orchestra passing through from Canberra. This will be at 1.30 in the school grounds. Families and the community are welcome to attend if you are interested.

GRANDPARENTS DAY

We will celebrate Grandparents day on Thursday 23rd October between 2 and 3 pm. Grandparents (and parents/carers) are invited into the classrooms to visit the school and work with their grandchildren.

LIBRARY REMINDER

Just a reminder everyone that Tuesday is Library Day—so if students could please return their books weekly on a Tuesday—that would be great!

LIDS AND CAPS

Miss Auld is collecting lids and bottle caps (off milk and soft drink bottles) for art this term. If you could please start collecting these and bring them in. Thanks, Miss Auld.

FAMILIAR FACE

Miss D is still on leave but has just returned from her overseas adventure and called in to visit the children.

Miss D will spend some time this term with the Kinder Orientation students and will assist with the swimming program in November.

Q: WHY DID THE APPLE GO TO THE DOCTOR?

A: IT FELT ROTTEN TO THE CORE.

Here are 10 common and easily avoided mistakes parents make when disciplining their children. Replace these mistakes with better techniques and you'll be on your way to parenting easy street.

Discipline is easy when children are easy. It can be downright tricky when children are difficult, have interesting personalities or are at one of the challenging developmental stages.

It's with kids in these difficult categories that we need to get our discipline techniques right. Here are 10 common mistakes I see many parents make when trying to get cooperation from their children, keep them safe or teach them to behave well.

Do any of these bloopers ring a bell?

1 Repeating yourself

If you do this, you are training your kids to become 'parent deaf'. Kids learn more from respectful actions than your repeated words, so speak once – twice at most – then DO something.
