Welcome, Melissa McMahon, to the Eugowra Public School team! Melissa has joined our staff team working in the office, filling in for Kylie Reeves while she is on leave. Melissa will be working Monday - Wednesday until the end of Term 4 2021. We are so grateful to Melissa for stepping into this position and we appreciate her support in the office already! She is doing a fabulous job in a quite demanding and multi-faceted role.

We are currently advertising for our School Administration Manager position (Kylie/Melissa's job) for Term 1 2022. It is a seven day/fortnight position and involves school administration/office responsibilities. Please contact the school if you are interested in applying for this position

Thank you for your continued support and understanding as we adjust to these changes in our school. Please feel free to call or text me if you have any concerns. I thank you in advance for your understanding as we all embark on another learning curve and continue to learn new skills in the coming weeks.

Our Kindergarten 2022 Orientation students joined us for their first full day at school on Monday.

They continued to work on their Pre-Kindergarten skills with Miss Groves, in preparation for starting school next year. With the K/1/2 class, our new "Kinder" students participated in a fun Science experiment, making slime from corn-flour and water! They also practiced some Christmas songs with Mrs Nixon from Mitchell Conservatorium which will be performed at our Presentation Night.

It was an absolute privilege and pleasure welcoming the new Kinder 2022 students into our school for Orientation days — we are very excited about you joining us as students at Eugowra Public School 2022!

K/1/2 made banana splits in Kitchen last week and had a great time adding creative touches with chocolate chips and strawberries. The banana splits were very popular and Year 3-6 are looking forward to their opportunity this week.

Year 5 students have been busy preparing their Captain and Leadership speeches for elections for 2022 positions. They will be presenting their speeches to all our students on Thursday, and then all students will get the opportunity to vote for School and Sporting House captains. We are looking forward to hearing some quality speeches that are inspirational and show insight into some of the plans our students have for our school in 2022. Best of luck to all Year 5 students!

Thank you to all our parents and community for your support of our school in many ways. It is a privilege to work within this community and to work with such positive and motivated students. Please contact me if you have any concerns or issues regarding our school and your child's education. I am keen to work with you as a team towards achieving the best learning outcomes possible for your children.

We are always here to listen and help.
Take care and be kind to each other.

Carolyn Austin (Relieving Principal)

PLEASE RETURN ANY SCHOOL LIBRARY BOOKS AND READERS as we finalise end of year checks. We'd love to see all our books returned, ready for next year!

Help Please

Following home learning, we have a number of our decodable readers that have not been returned. If you have any at home, could you please return them ASAP, so they can then be used in the classroom. They are very valuable to us!

A few titles that are missing are: Volcanoes, Big Things and Pelicans, The Long Way Home, A Strange Tale, Rise and Shine, Hullabaloo among many more. Thank you - Mrs Welsh
