

Welcome to Eugowra Public School

Eugowra Public School

Term 4 | Week 3 | Wednesday 30th October 2024

**Please sign and return
permission note attached.
STEM day at CHS.**

Principal's Message

This week we are excited to begin our Kindergarten Orientation program for our 2025 Kindergarten students. The program provides children the opportunity to explore the school environment and familiarise themselves with school routines. It is also a wonderful opportunity for our staff to get to know the children better and prepare for their learning journey.

Just as our preschool friends are preparing for 'Big School', our Year 6 students have their transition days for High School so they can become familiar with the next chapter of their schooling journey. And our current year 5 students are beginning to look to the year ahead and are planning their speeches for School Captain or House Captain, which will be presented in the next couple of weeks.

KINDER ORIENTATION

Join us in preparation for 'Big School' for 2025. There's sure to be lots of fun, learning and friendships along the way!

Thursday 31st October > 9am - 12noon
Thursday 7th November > 9am - 12noon
Thursday 14th November > 9am - 12noon
Thursday 21st November > 9am - 3pm

Contact the school on 6859 2233 to participate in our Kinder 2025 Orientation program or to arrange a meeting / tour with Mrs Doyle, our Principal

Don't Forget!!

Buses As Normal

Sport – Fridays

Library borrowing will take place on Wednesdays

Eugowra Public School

Term 4 | Week 3 | Wednesday 30th October 2024

Tomorrow we will hold an evacuation drill so that we can practise what is needed to be done if there is an emergency. It is beneficial to everyone to be clear on what to do if / when we are ever needed to act during an emergency. Please talk to your children about this at home and maybe lead to some good discussions about what procedures your family has for emergency situations at home.

Have a great week.
Carmel Doyle

World Teachers Day

A shout out to our AMAZING teachers at EPS!

Emotional Literacy

Working on our emotional literacy gives us opportunities to develop our ability to understand and express different emotions. When we improve our emotional literacy, we can work towards recognising our own feelings and our ability to manage them. This allows us to cope with different life situations, such as managing conflict, making friends, coping in difficult situations and being resilient when dealing with change.

Whole Family Activity:

Feelings Charades

- Gather together as a family, this might be around the dinner table, lounge room, around the fire outside.
- Take turns to act out a feeling or emotion. Use your face and body language to act this out, For example: Make an angry face and stamp your feet or
- Other family members need to guess the feeling/emotion.
- After someone has guessed the feeling/emotion, have family members discuss a time they have felt this way before and why. If it was a negative emotion, how did they overcome it?

Family Habit Builder:

Around the dinner table, ask everyone to share a feeling they felt during that day. Discuss how they dealt with that feeling and then discuss and share strategies you could use when faced with particular feelings.

DR ROB GORDON IN EUGOWRA

November 27
SAVE THE DATE
SAVE THE DATE

DR PETER ROB GORDON OAM
CLINICAL PSYCHOLOGIST AND
DISASTER RECOVERY PIONEER

In Eugowra Rob will hold 3 free sessions on the 27th.
Community sessions at 1pm and 6.30 with a free meal
and 3.30pm for service providers.

Clinical psychologist Dr Peter Rob Gordon OAM (Rob) has dedicated his career since the terrible Ash Wednesday fires of 1983 to helping traumatised communities recover after disaster.

Little was known about the lasting effects of trauma on communities before Rob started this work. He has built a body of Knowledge to fill that gap. His person-centred, trauma-informed approach has shaped the way organisations work with traumatised communities after disaster and loss.

Rob has supported communities through the Port Arthur massacre, the Bali bombings, the Christchurch earthquakes and major floods, cyclones and fires.
